

# SCPS FLOWER SHOW COLOR REFERENCE

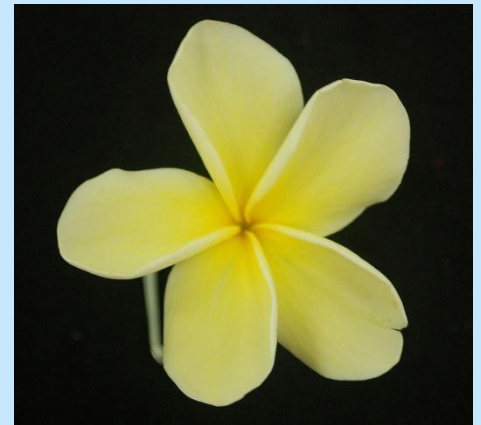

- This reference uses photos of the 2011 SCPS Flower Show winners to help entrants determine the color class for their blooms.
- All photos show the 1<sup>st</sup> place winners across all Sections with the exception of Class 8, Any Other Color, which includes 2<sup>nd</sup> and 3<sup>rd</sup> place winners.
- Plumerias in general (but Class 6/Bicolor, Class 7/Rainbow, and Class 8/AOC specifically) all have infinite combinations of colors and patterns. This reference is only intended as a guide and does not attempt to define the ideal color combinations or patterns.
- Thanks to Mike Atkinson and Jeff Ross for taking such great photos and to all the winners for such beautiful entries.
